

Doral Police Department SafeCam Program

Thank you for your interest in the Doral Police Department's SafeCam Program. The program is designed to provide police the ability to access your private security cameras that view public areas for the purpose of observing, interdicting and obtaining documentation of illegal activity. If you are interested in signing up for the Program, please fill out the attached application form and email it to safecam@doralpd.com or deliver it to the Doral Police Department located at 6100 NW 99th Avenue, Doral, FL 33178.

Here is a summary of the SafeCam Program:

- The Program is completely voluntary. Property and business owners enroll at their option and can withdraw their participation at any time.
- The Doral Police Department obtains access to the security cameras through a dedicated URL address provided by the business and/or property owners.
- Only cameras with views of public areas will be accessed by the Doral Police Department.
- The Doral Police Department may obtain a recording of observed criminal activity shown via the cameras. The cameras will only be used for real-time viewing and obtaining documentation of crimes that have occurred.
- Activity in public areas will be monitored by the Doral Police Department through the private cameras as dictated by investigative needs. Participation in the SafeCam program does not imply that all cameras will be continuously monitored.
- No fee will be paid by the Doral Police Department for access to the private cameras.
- Under no circumstances shall owner construe they are acting as an agent and/or employee of the Doral Police Department through the SafeCam Program.

The Doral Police Department looks forward to working with the community through this program. Through your participation in this Program, the Doral Police Department hopes to enhance the security and enjoyment of public areas within the City of Doral.

If you have any questions concerning the program or your involvement in it, please call the Police Department's Real Time Information Center at (305)593-6699.
